INFORMATION ON ORDERING

PLEASE NOTE: Our prices on plants have consistently gone down rather than up while shipping costs have been soaring. In the past, we have absorbed these costs, but with the new increase in cost of shipping, we have initiated the small packing and handling charge of 35c on **ALL** orders.

ORDER EARLY: We suggest that you send us your order as soon as possible after receiving our catalog that you may get your order in while our stock is complete.

CASH WITH ORDER: Because of increased labor costs, we must ask for cash with order unless from customers who have established credit.

REMIT: By Postal Order, Express Order, Personal Check, or Registered Letter.

WE REPAY THE POSTAGE OR EXPRESS CHARGES: All items listed in this catalog will come to you prepaid. Shipments will be made either by Parcel Post or Express, depending on the size of the shipment. If specific shipping is instructed by the customer requiring added shipping costs, the difference will be billed to the customer.

OUR GUARANTEE: We guarantee our stock to be true to name. Should a mistake occur and a customer receive stock that eventually proves not true to name, we will replace this stock free of charge and the customer may retain the stock first received. After you receive our shipment, we want you to report at once anything that is not satisfactory and we will make proper adjustment. **After your stock is planted we cannot assume responsibility for it.**

SUBSTITUTION: We will not substitute without permission. However, if you send in an order late in the season it will save delay if you name a second choice or give us permission to send a variety of equal or better value of the same color.
